

Full Programme
Young Scientists' Forum 2.0
6th of December, 2024
Greater Poland Cancer Centre, Poznan, Poland

8.30 - 8.45 Opening ceremony

8.45 - 10.10 **PANEL A. Basic science**

Session 1. Radiobiology and tumour biology

Session 2. Radiation genetics and transcriptomics

Session 3. Microenvironment, tumour immunology and response to radiation

speaker(s) for each session are to be selected in the form of an open competition of thematic abstracts by the 1st of December, 2024 at the latest

10.10 - 10.40 **KEYNOTE LECTURE**

Prof. Bożena Kamińska-Kaczmarek

Nencki Institute of Experimental Biology of the Polish Academy of Sciences, Warsaw

10.40 - 11.00 Coffee break & time for sponsors

11.00 - 13.00 **PANEL B. Translational radiobiology and clinics**

Session 1. Biomarkers, diagnostics and nuclear medicine

Session 2. Radiation effect of modifiers and systematic treatment

Session 3. New trends in clinics

speaker(s) for each session are to be selected in the form of an open competition of thematic abstracts by the 1st of December, 2024 at the latest

13.00 - 14.00 Lunch & time for sponsors

14.00 - 16.00 **PANEL C. Physics and radiation protection**

Session 1. Low doses and their effects

Session 2. Radiation protection

Session 3. New trends in physics

speaker(s) for each session are to be selected in the form of an open competition of thematic abstracts by the 1st of December, 2024 at the latest

16.00 - 17.00 Coffee break & time for sponsors

16.00 - 17.00 Jury deliberations

17.00 - 18.30 Closing ceremony & awards

Rules of the open competition:

Abstracts submitted by participants will be evaluated by the Jury and reviewed by experts in basic and clinical sciences.

Submissions approved for the oral part will be presented in the form of a multimedia presentation and discussed with the Jury. All parts of the presentation are equally evaluated - the idea, the results of the study and the skills of scientific debate.

We kindly encourage you to submit your work - abstracts are to be sent in English at the latest by the **15th of October, 2024**.

Registration will be available between the **1st of September** and **15th of October, 2024**.

The registration fee is 100 PLN and must be paid by the **20th of October, 2024**.

Awards to support career and scientific development, including travel to congresses and courses, are to be received by the authors of the three best abstracts and presentations.

We sincerely invite you to participate!
