SCIENTIFIC PROGRAM

Thursday, November 18, 2021

MRI WORKSHOP – Hip and Pelvis

Lectures on MSK anatomy and pathologies of the hip and pelvis, with practical information regarding optimal MR sequences and planes needed to visualize all anatomical structures, followed by practical MRI training at the PC stations (2 participant/one station). Language: English.

- 11.30–12.00** Registration and Welcome coffee
- 12.00–14.00** Hip – *Janusz Wieczorek, Piotr Palczewski, Karolina Kukawska-Sysio*
- 14.00–14.40** Lunch break
- 14.40–16.40** Hip – *Piotr Palczewski, Beata Ciszowska-Łysoń, Jarosław Maczuch*
- 16.40–17.00** Coffee break
- 17.00–19.00** Pelvis – *Milko de Jonge, Beata Ciszowska-Łysoń, Jarosław Skupiński*

CONFERENCE

Friday, November 19, 2021

- 8.00–9.45 Registration
9.45–10.00 Welcome address – *Iwona Sudoł-Szopińska*

Session I. HIP – FAI

- 10.00–10.30 Normal variants and asymptomatic findings of the hip
– *Paweł Szaro*
- 10.30–11.00 Practical hints on FAI imaging from protocols to classifications and measurements – *Ara Kassarian*
- 11.00–11.30 Chondrolabral lesions and other intraarticular lesions – how do I classify them? – *Ara Kassarian*
- 11.30–12.00 Practical hints on imaging: from dysplasia, SCFE, Perthes to osteoarthritis – *Milko de Jonge*
- 12.00–12.30 Postoperative imaging of the hip – *Diana Afonso*
- 12.30–13.30 Lunch break

Session II. Hip (Non-FAI) and Pelvis

- 13.30–14.00 Pediatric hip: from irritable hip/infection, SUFE, stress fractures, avulsions, osteoid osteoma, to post op DDH – *James Teh*
- 14.00–14.30 Adductors, rectus abdominis/symphysis pubis (groin pain)
– *Tobias Dietrich*
- 14.30–15.00 Bone marrow edema syndromes of the hip – *Milko de Jonge*
- 15.00–15.30 Greater trochanteric pain syndrome – *Tobias Dietrich*
- 15.30–16.00 Coffee break

Session III. Quiz

- 16.00–16.30 Quiz on pelvic arthritis imaging – *Lennart Jans*

Session IV. Ultrasound live demonstrations

- 16.30–17.00 Hip – *Grzegorz Pracoń*
- 17.00–17.30 Groin – *Iwona Sudoł-Szopińska*

Saturday, November 20, 2021

Session V. Hip & Pelvis – Arthritis

- 9.00–9.30 Sacroiliitis in SpA – *Lennart Jans*
9.30–10.00 Hip in rheumatic diseases – *Iwona Sudol-Szopińska*
10.00–10.30 Non-Spa related sacroiliitis – *Lennart Jans*
10.30–11.00 Controversies around FAI and spondyloarthritides – back to the basics – *Paweł Szaro*
11.00–11.30 Coffee break

Session VI. Ultrasound live demonstrations

- 11.30–12.00 Thigh – *Beata Ciszowska-Lysoń*
12.00–12.30 Buttock – *Grzegorz Pracon*
12.30–13.30 Lunch break

Session VII. Hip & Pelvis – Others

- 13.30–14.00 Tumors around the hip and pelvis – *Diana Afonso*
14.00–14.30 Pelvis fractures – *Janusz Wieczorek*
14.30–15.00 US interventions around the hip – *James Teh*
15.00–15.30 Measurements within hip and pelvis – which really matter?
– *Piotr Palczewski*
15.30 End of the conference
