

8.30 - 8.45	Openining ceremony
8.45 - 10.10	<b>PANEL A. Basic science</b>
	Session 1. Radiobiology and tumor biology
	Session 2. Radiation genetics and transcriptomics
	Session 3. Microenvironment, tumor immunology and response to radiation
10.10 - 10.40	INAGURATION LECTURE Prof. Bozena Kamińska NENCKI INSTYTUT
10.40 -11.00	Coffe break & time for sponsors
11.00 - 13.00	<b>PANEL B. Translational radiobiology and clinics</b>
	Session 1. Biomarkers, diagnostics and nuclear medicine
	Session 2. Radiation effect of modifiers and systematic treatment
	Session 3. New trends in clinics
13.00 - 14.00	Lunch & time for sponsors
14.00 - 16.00	<b>PANEL C. Physics and radiation protection</b>

	Session 1. Low doses and its effects
	Session 2. Radiation protection
	Session 3. New trends in physics
16.00-17.00	Coffe break & time for sponsors,
16.00-17.00	Jury
18.00	Closing ceremony, award
